We Understand & We Care!

**WAI CHUNG YONG, M.D.**

**Rheumatology**

Dr. Yong is originally from Malaysia and pursued his medicine degree at National Defense Medical Center in Taiwan. He received his residency training at Bassett Medical Center in Upstate New York in 2014, subsequently completed rheumatology fellowship training at Case Western Reserve University MetroHealth Medical Center in Cleveland in 2022.

During his fellowship, he was also a recipient of USSONAR scholarship for musculoskeletal ultrasound training.

He strives to provide the best patient-centered care by honing his clinical skills and listen to patient. He is fluent in Mandarin and Cantonese.
