We Understand & We Care!

LI POA, M.D.

Cardiothoracic Surgery

Dr. Poa trained at Northwestern University Medical School and performed residencies in Philadelphia and at UCLA Medical Center in Los Angeles where he was chief resident. He started college at the age of 15 and was the youngest boarded cardiothoracic surgeon in the US performing his first coronary bypass surgery at the age of 21.

He currently serves on the Presidential Health and Wellness Advisory Board and on the National Health Council. He was the founding Chief and Program Director of Cardiovascular Surgery at the Stamford Hospital Heart and Vascular Institute as well as being Professor of Surgery at Columbia University College of Physicians and Surgeons. He is currently the Medical Director of Cardiovascular and Thoracic surgery at Providence Little Company of Mary Medical Center in Torrance, California.
