

LISA CHANG, D.O.

Obstetrics and Gynecology

Dr. Lisa Chang is a Board Certified OBGYN and has been practicing General OBGYN since 2009. She was born in Taiwan and immigrated to Southern California with her family as a child. She went to Cornell University as an undergrad and completed medical school training in Western University - COMP. Her OBGYN training took her to New York City, in Beth Israel Medical Center.

She worked in a private practice in New York until 2012 where she moved back to Southern California. She is married with a wonderful supportive husband and two beautiful children. Language fluently spoken by Dr. Chang are English, Mandarin, Taiwanese.
