

VAN TRAN, M.D.

Obstetrics and Gynecology

Dr. Van Tran is a board-eligible physician in Obstetrics and Gynecology. She completed her Bachelor's of Science in Cell Biology and Biochemistry at UC San Diego.

She obtained her Medical Doctorate from Saint Louis University in Missouri. She completed training in Obstetrics and Gynecology at the State University of New York-Downstate where she received the Siegler Scholarship for excellence in patient care, operative technique, scholarship, and research.

Dr. Tran believes healthcare is patient centered; she fosters this through building relationships with her patients to deliver quality care to each individual.
